Description

This sweet pendant features an antique heart encrusted with many paste stones that glint as they catch the light. It is modelled in silver. Paste is a special type of hand-cut glass used since the 18th century to replicate Gemstones. This fantastic pendant looks fabulous worn and would make a great addition to any collection. STONES Paste METAL Sterling silver MEASUREMENTS Measures 3.3cm x 1.8cm, including bail Heart measures 2.1cm x 1.8cm WEIGHT 4.73 grams CONDITION This antique paste heart pendant remains in very good condition. The stones are all secure, with some showing slight discolouration from age and small surface grazes up close. The large sterling silver bail lets you wear it on a chain, and it looks fabulous when worn, sparkling immensely. It would make a superb addition to your antique jewellery collection.
