Description

A beautiful and very impressive pair of antique inlaid mahogany console tables. They were made in England, they are in the Georgian revival style and date from around the 1900-1910 period. The quality is superb, they are a very useful and quite large size. The four legs are beautifully tapered with satin wood inlays, supporting bow shaped solid mahogany tops. We have had these recently re-polished, the condition is excellent for their age. The mahogany has a gorgeous colour tone with stunning grain patterns, and a beautiful all round patina. Width – 54 inches , 138 cm Depth – 21 inches , 53 cm Height – 28 inches , 72 cm
