Description

This is a delightful Regency period watercolour of a beautiful exotic bluebird on a tree branch observing a pink butterfly. The early watercolour on paper is finely painted in a classic stylised manner and the artist has used tasteful pastel shades that retain a good strength of colour. The artwork is signed and dated to the lower right Eloise Clifford 1830. This is attractively framed in the original gilded period frame that measures 17.5 cms by 14.5 cms overall. UK insured packing and delivery is £10
