Description

A superb antique leather wing back sofa. This was made in England, it dates from around the 1930's. The quality is superb and this is extremely comfortable to relax in. It is very supportive and has down filled cushions. The brown leather has a gorgeous colour tone and patina, the sofa sits on solid mahogany cabriole legs with acanthus leaf carving at the knees. We have had the leather revived and polished by our leather restorer, the legs have also been re-polished. This is in excellent condition for its age, with only some very minor wear here and there. We also have the matching pair of armchairs that came with this, seen listed under our other items for sale.
