Item Reference: SA1231158

Date of manufacture: Regency

Description

This is a really beautiful early 19th century watercolour painting on paper of a still life basket of fruit in the classical Regency style, dating from around 1830. The painting is well executed and the lovely pastel shades retain a great strength of colour. This is attractively framed in its original burr walnut frame with gilt inner slip mount that measures 20 cms by 18 cms overall. UK insured packing and delivery is £10.
