Description

Antique 19th century carved Victorian cupboard in oak, an impressive and highly decorative piece displaying beautiful period detailing throughout. Very well made and of good quality, this handsome cupboard is richly decorated and has a wonderful sense of character, making it an attractive focal point for a traditional or period interior. The cupboard features two doors to the centre, providing useful enclosed storage while maintaining the balanced proportions of the design. Beautifully carved throughout with a high level of attention to detail, the decorative work gives the piece tremendous depth and visual interest, showcasing the elaborate styling associated with Victorian furniture. The oak displays gorgeous natural grain and a rich, warm colour throughout, beautifully complementing the intricate carved decoration. Its quality construction, striking appearance and abundance of period character make this a particularly desirable example that truly stands out. Presented in good condition, this handsome Victorian carved oak cupboard is both decorative and practical. A very desirable piece of 19th century furniture with timeless character and presence, it would make a stri...
