Description

An Large Early Victorian Mahogany wall mirror. The wood is all hand cut and is in remarkably good condition for its age, very minor chipping to the wood and a tiny piece of moulding missing near the glass. The plate glass is too is in pretty good condition with just one or two patches where the silver is worn but that is just what I would expect to see in a piece like this and it still has a very serviceable glass. This is an elegant and very rare piece and with wonderful country house chic appeal. The Mirror frame is 36" tall and 19" wide. All the measurements are external maximum measurements taken from the widest, highest and deepest points. VIEW ALL OF OUR CURRENT STOCK AT WWW.ELMGARDEN.CO.UK.
