Description

This 19thC French Mahogany Gueridon Occasional Table has a sophisticated style to it. Being of a triple column design with a trefoils platform base all of which is veneered in figured Mahogany, of a good rich colour that works so well with the gilt mounts. The mounts themselves are very finely chased and show crisp detailing. The dark grey mottled marble top adds a degree of usability to it, providing a good-sized surface area. This table would work well in both a traditional or more contemporary interior design. Presented in excellent restored condition, the only thing to note is that the marble top has a historic repair to it.
