Description

A late 17th century oak side table of honest provincial character, the top formed of two thick oak boards with moulded edges over a single frieze drawer with period correct brass drop handles, all raised on turned legs united by stretchers. Very good antique condition, displaying a deep, rich patina with honest surface wear, historic timber abrasion, and age-consistent shrinkage. The original drawer runs smoothly following historic runner repairs, with the carcass benefiting from discreet internal frame strengthening. Structurally sound, clean and ready to place in the home. English, circa 1690. Dimensions Height: 74 cm Width: 77.5 cm Depth: 55 cm
