Description

An absolutely stunning figured walnut adjustable piano stool, dating from the William IV or early Victorian period. The elegant design features a polygonal, inverted tapered column, a triform base adorned with foliate scrolls, and acanthus-carved feet. An exceptional piece that blends craftsmanship with refined beauty. The underside of the stool bears the maker's mark ""W. H."" along with what appears to be pattern numbers. A stool of this quality could easily be attributed to Gillows. Condition Report In excellent condition, with only a few minor marks commensurate with age. A striking and highly decorative addition to any interior. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment. If you have any questions regarding this piece, please don't hesitate to get in touch.
