Description

A particularly fine George III mahogany washstand, showcasing some of the most stunning Cuban flame mahogany you'll come across. The twin fold-over top opens to reveal a central recess for a wash bowl, flanked by two hinged trays. A pull-up swing mirror sits towards the back, held in place by a beautifully crafted mechanism, and the foxing on the mirror is utterly charming. Below, a single cupboard and drawer provide storage, with a lower tier designed to hold a water jug. Carry handles on either side allow for easy movement, and the proportions make this a superbly versatile piece - perhaps a very elegant bedside cabinet. Condition Report In excellent solid antique condition. There are a couple of minor historic repairs to the veneer on the top. The mirror is heavily foxed - just as we like it. Marks and wear are commensurate with age. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment. If you have any questions regarding this piece, please don't hesitate to get in touch.
