## Description

Original Sandringham Antique Garden Lawn Roller C1900, Split Drum. An original cast iron/iron counter weight garden lawn roller by Sandringham with a cast iron split drum which allows for easy turning without damaging the grass surface and internal counter-weights to maintain the handle in an upright position to allow ease of effort required to push. The original green painted cast iron frame features the central Sandringham plaque and original elm handle. A fine quality garden antique that remains efficiently useable whilst having considerable appeal. Please request more photos and any questions invited. Free collection from East Sussex. UK delivery available. We can arrange a whole of U.K. weekly delivery service for only £70, please enquire for parts of Scotland and areas of Wales.
