Description

A superb Victorian toilet mirror in satinwood, with barley twist uprights and an elegant arched top. The frame has been left completely untouched, with a soft aged tone that pairs beautifully with the original mercury glass plate. A refined, understated piece of quality. Condition Report Excellent antique condition. The mirror plate shows minor foxing and the distinctive sparkle associated with mercury silvering. Very few marks overall - beautifully preserved. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment. If you have any questions regarding this piece, please don't hesitate to get in touch.
