Description

"A lovely 19th century carved stool with a series of classical motifs across the top, sitting on four turned legs. Would be perfectly useful as a plant stand, or for anything else small and ornamental – I have a similar one in my house currently hosting a concrete cat that my young daughters insist on keeping. Condition Report Good solid condition, with wear consistent with use and age. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment. If you have any questions regarding this piece, please don't hesitate to get in touch."
