Description

A characterful pair of early 20th-century Swedish Dinco penny chairs, constructed in ash and beech and retaining the classic penny chair form. Lightweight yet robust, these chairs are well regarded for their comfort and practical design. One chair shows more evidence of use, while the other appears to have seen very little wear, creating a visually interesting but still cohesive pair. One chair retains remnants of the original Dinco label, adding a desirable point of authenticity. Condition Report Both chairs are solid and structurally sound. One shows noticeably more surface wear than the other, though both remain a well-matched and usable pair. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment.
