Height = 28 cm (11.0")

Width = 28 cm (11.0")

Depth = 13 cm (5.1")

Description

A very early Clock movement, just ready for the enthusiast to clean and improve for ongoing sale or to add to a collection. Joseph Tucker was a member of a family of clockmakers based in the market town of Moretonhampstead Devon. This Clock was acquired not far from there so presumably has spent the last 250 years or so in that area. The movement seems to be in good working order. A video can be supplied if required. For Clocks and decorative items, please press the VIEW DEALER STOCK. Button on the left-hand side of this page.
