Description

Exactly as shown in the photographs a superb putti on shell bird bath raised on reeded circular column, late Victorian. Cast iron with weathered paint over zinc primer. Suitable for cleaning/repainting or sand blasting back to base metal or just attractive as it is. N.B. the top is currently loose from the base so we are planning on removing & replacing the two broken fixing studs as soon as we can. Please enquire for an update. A rare and stunning garden or decorative piece. Base 24cm diameter & 63cm tall. Top 29cm high, 33cm wide & 36cm deep.
