Description

Antique 18th century set of six mahogany dining chairs, a handsome and beautifully detailed matching set displaying elegant period character throughout. Well made and of good quality, these attractive chairs combine traditional styling with comfortable upholstered seating. Each chair features a generously overstuffed seat upholstered in a possibly leather material, finished with decorative studding around the edges. The backs are beautifully decorated with inlaid detailing, adding a refined feature to the design. Raised on square legs united by supporting stretchers, the chairs have a sturdy and well-balanced stance. The mahogany displays gorgeous natural grain and a rich, warm colour throughout, beautifully complementing the upholstery and decorative inlay. All six chairs have solid frames with no unwanted movement, making them ready for continued use. Presented in good condition, this very desirable set of 18th century dining chairs would make a perfect addition to any home.
