Description

Antique 20th century small coffee table in oak, a delightful piece with an abundance of character packed into its compact proportions. Well made and of good quality, the combination of decorative carving and an eye-catching top gives it a distinctive appearance. The top is a particular feature, displaying a beautiful chequered pattern that immediately draws the eye and adds interest to the design. Decorative carvings provide further detail, while cabriole legs give the piece an elegant traditional stance. Gorgeous grain and colour can be seen throughout the oak, bringing warmth and depth to the overall appearance. Its desirable smaller size makes it particularly versatile and easy to incorporate into a variety of living spaces.
