Description

Antique 20th century writing table in walnut, an elegant and beautifully proportioned piece that combines timeless styling with excellent everyday practicality. Well made and of good quality, this attractive table provides a generous writing surface together with useful storage, making it ideal for a study, office, living room or bedroom. The table is fitted with four useful drawers, each retaining its original brass drop handles, providing convenient storage for stationery, documents and other everyday essentials. Raised on graceful cabriole legs, the table has an elegant and well-balanced silhouette that adds to its traditional character and decorative appeal. The walnut displays gorgeous natural grain and a rich, warm colour throughout, with attractive figuring giving the piece plenty of depth and visual interest. Its pleasing proportions, original fittings and quality construction make this a particularly desirable example that would complement both traditional and contemporary interiors. Presented in good condition, this handsome walnut writing table is both decorative and highly functional. A versatile piece of 20th century furniture with enduring elegance and cha...
