Description

Antique 18th Century Chinese Kangxi Porcelain Imari Bowl / Dish 1662-1722 Brief Description: This is a beautiful and original early 18th-century Chinese Kangxi Period Porcelain Imari Bowl. Dating to the Kangxi period (1662–1722), the finely potted bowl has deep rounded sides rising from a short straight foot to a gently everted rim. It is beautifully decorated in the traditional Chinese Imari palette of rich iron-red, underglaze cobalt-blue and gilt, with the exterior painted throughout with attractive leafy flowering blooms and decorative panels. The interior is similarly decorated with delicate floral sprigs, while the central well features a further floral composition enclosed within a decorative border. A wonderfully decorative example of 18th-century Chinese export porcelain, displaying beautifully and retaining a particularly attractive combination of colour and character. Measurements: Height: 7.1 cm Diameter: 14.2 cm Condition: The bowl is offered in overall very good original antique condition, particularly considering its considerable age. There is a single chip to the foot rim, as clearly shown within the listing images. Please study all photographs, wh...
