Description

A lovely matched pair of late eighteenth century stands. Circa 1790. Beautifully turned and laid in various places, the stands retain a terrific deep original colour and finish. Often referred to 'ashtray' or 'kettle stands'. Practical scale to make a lovely pair of side tables for either side a chair or sofa etc. One of the stands has had a break half way up the stem, this has been repaired sympathetically and a long time ago. With cracks and splits.
