Description

A mid Victorian oak cased Admiral Fitzroy barometer with original hand tinted chart, in full working order c.1875. Simple oak case with moulded edge to the front and flat platform top and base. Original printed hand tinted chart to the interior with rich unfaded colours and printed Admiral Fitzroy's predictions for the weather. Mercury action barometer tube set to the centre with storm tube and thermometer either side of the barometer tube. Original glazed view window sat over the top and twin brass vernier markers either side of the case for marking today's and yesterday's weather. Presented in excellent original condition and in full working order. Keep up to date via our Instagram channel - sturmansantiques.
