Description

Antique 18th century small Georgian dressing mirror in mahogany, a charming and beautifully proportioned piece with all the elegance and character expected from Georgian furniture. Well made and of good quality, its desirable smaller size makes it particularly suited to a bedroom or dressing room. The lower section features three useful drawers, providing convenient storage for jewellery and smaller personal items. A solid mahogany frame supports the mirror and allows the angle to be easily adjusted to suit the user, combining practicality with a simple and elegant design. Gorgeous grain and colour can be seen throughout the mahogany, with the rich tones adding warmth and highlighting the attractive period character. Its compact proportions and thoughtful design make it a very desirable example.
