Description

Antique 20th century carved sideboard in oak, a handsome and highly decorative piece that combines traditional styling with excellent practical storage. Well made, this impressive sideboard features an abundance of attractive detailing and would make a wonderful addition to a dining room, hallway or living space. The upper section is beautifully decorated with detailed carved decoration, giving the piece plenty of character and visual interest. Beneath are two useful drawers and two spacious cupboards, each fitted with a single internal shelf, providing generous storage for tableware, linens and other household essentials. The sideboard retains its original handles, further enhancing its traditional appearance. The oak displays gorgeous natural grain and a rich, warm colour throughout, beautifully complementing the carved detailing. Its pleasing proportions, good construction and decorative appearance make it a particularly desirable example, offering an excellent balance of practicality and period charm. Presented in good condition, with a slight warp to one of the cupboard doors which does not affect its use or functionality. A characterful and attractive piece of 20th...
