Description

Early 20th Century brass and copper bamboo wall lights A matched pair of rare early 20th-century brass and copper bamboo wall lights, beautifully handcrafted with finely detailed sections throughout. The rich combination of brass and copper has developed a wonderfully deep, natural patina across the entire surface, enhancing their character and authenticity. Dimensions Height: 36cm (14") Width: 30cm (12") Depth: 10cm (4") Details Date: Circa 1920 Origin: France Maker: Unknown Materials: Brass/copper Condition: Good Condition Report In overall good condition untouched in form, these lights ARE NOT wired and would need to be for full functional needs. The photos provided are only to be presented as an example and not factual). They both have a deep natural patina to the metal surface. Shipping & Handling UK Buyers: Delivery is available through our trusted courier partners, including specialist services for valuable, oversized and fragile items. International Buyers: Worldwide shipping is available. Please contact us prior to purchase for a bespoke shipping quotation. Given the age, size and delicate nature of this piece, we strongly recommend fully insured, tracked and pro...
