Description

A wonderful Victorian mahogany chiffonier, showcasing superb craftsmanship and beautifully figured flame mahogany timbers throughout. The chiffonier is raised upon elegant bun feet and features a particularly impressive superstructure, supported by two finely carved swans, beneath an ornate carved gallery to the top. The lower cabinet is fitted with two doors, opening to reveal a useful fixed shelf, together with two mahogany-lined drawers providing excellent storage. The rich, highly figured flame mahogany gives the piece a warm and luxurious appearance, while the carved swan supports add an exceptional decorative quality and distinctive Victorian character. Presented in good condition, this is a highly decorative and practical example of Victorian furniture, equally suited to a grand hallway, dining room, drawing room or entrance setting.
