Description

Rare Dutch Pewter And bronze "Kraantjeskan" (Samovar / Coffee / Tea Urn) Circa 1750. This is the nicest type of pewter/bronze Dutch coffee urn, a beautiful model and this type is very rare to find also with the early type of pewter handles. Still in very good old used condition even the bronze legs have the original pewter connection to the body and with the original lid. Marked with the Dutch quality mark of the Crowned Rose. Overall with a beautiful old patination. Dutch circa 1750. 33cm high, 22cm wide, 27cm deep.
