Description

A charming antique oak church hymn board retaining its original character and painted "HYMNS" lettering to the top. The tall board has a shaped architectural top with pierced trefoil detail, above a series of horizontal wooden rails designed to hold hymn numbers. Raised on a simple projecting plinth base. Accompanied by a wooden storage box containing a collection of associated hymn numbers. A particularly characterful piece of ecclesiastical furniture with a lovely aged colour and surface. Item Reference: M-7033 . Dimensions: Height – 81cm/ Width - 36cm/ Depth - 4.5cm . CONDITION REPORT: In good antique condition with wear, marks, scratches and general signs of age and use throughout. There is a rectangular area beneath the HYMNS lettering where a plaque or label has previously been removed, leaving a visible difference in colour. Evidence of historic woodworm to the accompanying number box, which has been treated. General age-related wear to both the board and box, but the hymn board remains solid and sound overall.
