Description

Antique silver pocket watch albert chain, 1906. The chain measures 33cm long including the T-bar and the chain. The T-bar and the clasp both have hallmarks for Birmingham 1906 with a maker's mark for the Birmingham silversmith Henry Allday & Son. Each of the links has the lion silver mark, and one has the Henry Allday maker's mark so we can be sure that all of the chain components are original to each other. The watch comes with a silver fob, 28mm x 32mm high excluding the loops. Nice rose gold wash detailing to the front of the fob. Hallmarks to the back for Birmingham 1911, with a maker's mark for a Birmingham manufacturing jeweller, William Hair Haseler. The fob is free from any inscriptions. Total weight 53g.
