Description

A fabulous pair of all brass single beds. Perfect for spare, guest, attic or a very lucky children's room. There is such a beauty and elegance in the simpleness of the design of these beds, very attractive without being ornate. These beds can be joined to make an occasional super king sized bed. The bed has a gorgeous, more shabby chic patina which we have cleaned and highlighted. It catches the light beautifully whilst still respects the age and history of this stunning bed. Professionally restored with all joints checked for a solid and secure fit. The side rails have been adapted to be able to take slats or a bed base. Whole frame has been cleaned, tightened and restored to ensure full working order and sturdiness. Head Height 126cm Foot Height 110cm Side Rail Height 43cm Overall Width 93cm Overall Length 207cm Suitable for standard UK Single mattresses 3' x 6'3" / 90cm x 190cm Price includes wood slats (sorry not mattress). As an alternative to the wood slats we can supply mini box bases for superior mattress support and to raise the get into bed height. The bed is photographed on a slats with our Montpellier mattress. We can supply hand-made mattresses...
