Item Reference: SA1231802

Date of manufacture: 19th Century

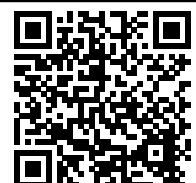

Description

A beautifully shaped and very well made mid-19th century solid walnut wing chair in the Queen Anne manner raised on lovely front cabriole legs with pad feet and brass castors. . Upholstered in a good quality pale silvergrey and ivory damask with traditional flower and ribbon pattern with some wear to the arms and some small marks but usable and not currently requiring re-upholstery. The deep feather filled squab cushion in good condition also. . Very comfortable and of a good large size, the legs having developed a lovely rich colour. . Of very attractive proportions and having a gorgeous shape with wonderfully wide swept arms. . In very good condition with a couple of minor foot repairs, small knocks and bruises. . . Dimensions are: . 44.5 inches high, 28 inches wide, 26 inches deep. 21 inches from floor to top of seat cushion. 26.5 inches from floor to top of arms. Width between arms is 22 inches. Depth of seat from front to back is 21 inches. Height of back from seat cushion is 29 inches.
