Width = 112 cm (44.1")

Depth = 31 cm (12.2")

Description

A useful early 20th-century mellowed oak bookcase with twin glazed and panelled doors enclosing the upper shelves, above a lower storage cupboard. The bookcase has a high-quality panelled back and stands on substantial ogee bracket feet. A practical combination of open display and enclosed storage, well suited to a study, sitting room or library. Condition Report In excellent antique condition. There are a number of marks to the surface, consistent with age and use, although none stand out. The door handles appear to have been replaced at some point, but this does not affect the overall appearance. A good, solid bookcase. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment. If you have any questions regarding this piece, please don't hesitate to get in touch.
