Description

A good-sized mid-century Italian oval mirror in rattan and bamboo, in the style of Franco Albini. The combination of the oval form and woven frame gives it a distinctly mid-century Italian character, and it would sit comfortably within both vintage and more contemporary interiors. Condition Report In excellent vintage condition with a few minor marks, but nothing that stands out. The photographs form part of the condition report, so please review them carefully. Further images or a video viewing can be provided on request. Viewings are welcome at our Southampton unit, strictly by appointment. If you have any questions regarding this piece, please don't hesitate to get in touch.
