Description

Striking early C20th 12-point brass-framed bevelled glass "Moravian" star hanging lantern. Highly decorative and scarce larger-scale star lantern of superior quality. The 12 points each fitted with bevelled glass panels, one being ingeniously hinged to allow access to the lamp-holder within. The interior fitted with a brass lamp-holder and the top fitted with an integral hanging loop / suspension ring and supplied with short brass chain. Wiring has been tested. In good original condition, one glass panel of one conical having a minor bruise or 'ding' to its surface. The brass mountings with an aged colour and patina. Strong and robust construction and condition. H 21" W 21" D 21" England c.1920

Internal Ref: ML 268
