Height = 82 cm (32.3")

Width = 81 cm (31.9")

Description

Imposing early 19th century French gilt wood mirror in excellent condition. Incredible detail to hand carved, deep wood frame with no chips overlaid with beautiful original real gilt (gold leaf). It has lovely mercury glass. Mercury glass was not made after 1840 and gives a sparkle like no other. It has a wire ready to be hung.
