Description

This is a super quality coffee table with a very useful and practical design, in excellent condition dating from around 1920. The table is in the good quality mahogany with the surface having a good design that is easily transformed into a butlers tray which can be lifted from the stout base for service. The hinged oval top has very good quality brass hinges that fold up to form the rectangular tray with carrying handles to all sides. This is a beautiful colour and has a wonderful antique patina and is an elegant timeless design. This measures 95 cms by 66 cms by 50 cms high as a table. As a tray the measurements are 73 cms by 48 cms by 10 cms in height. Excellent condition throughout. UK insured packing and delivery is £45
