Price

GBP 865

| USD \$1,179 | EUR 1,009

Item Reference: SA1232062

Date of manufacture: 1890

Description

This 19th century Howard style armchair has a very stylish shape and been recently reupholstered in a good quality upholstery fabric that is in a tasteful deep forest green. The chair has the typical roll arm design with scroll front and back that is so popular with this model and this one is raised on attractive solid walnut legs that all have their original brass and porcelain castors in excellent condition. A handsome chair in super order ready for many years of service. The chair measures 82 cms in height 94 cms deep by 76 cms deep. The seat area is 59 cms deep and 35 cms from the floor. UK delivery can be arranged with our trusted furniture courier and costs £65 plus vat to most destinations.
