Description

This is a good pair of mid 19th century oil paintings depicting Victorian life. The portraits are very well executed by the artist and show one child holding turnips with a sack over his back, the other is portrayed playing with a puppy in an interior scene. These are both mounted in their original super quality deep gilt frames which are in excellent condition with original gilding. The frames measure 45 cms by 41 cms overall. UK insured packing and delivery is £20
