Description

This is a smart oak chest of drawers in good serviceable condition dating from the early 20th century circa 1900. The heavy chest has a thick, solid oak top with a nice colour and four useful drawers that all run freely in the cabinet. This has all of its original brass drop handles and escutcheons in good condition and the chest has bracket feet to the base. This is of nice neat proportions measuring only 62cm wide by 45cm deep by 78cm high. UK delivery can be arranged with our trusted furniture courier and costs £65 plus vat to most destinations.
