Description

A good quality and very decorative pair of still life oil paintings. They are painted on canvas and date from the early 20th Century. They are signed M.Hill and are framed in gilt frames. The paintings are in good original condition. There are some minor signs of age and some light surface marks but nothing detrimental. The frames are in good order with a few minor knocks and losses but they display well. They have been lightly cleaned and are ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
