Description

Summary: Item: Anglo Swiss Chiming Wall Clock Railway / School Wall Clock design Circa: 1930 - 1940 16-inch external diameter Anglo Swiss double barrel brass spring mechanism Chiming / Striker mechanism French polished mahogany case Side viewing door Brass Levelling lugs & pins Roman numeral tin dial Pendulum access door Brass bezel Elegant shaped hands Ivory colour tin dial Winding key Detachable adjustable pendulum Restored & serviced 2 Year UK warranty included Free delivery to England, Wales & southern Scotland* 14-day free UK returns policy Case, Mechanism & Chime This mahogany wall clock houses a quality Anglo Swiss double-barrel, brass, spring-driven chiming mechanism. The mahogany case incorporates a moulded brass bezel, a pendulum access door on the underside, and a mechanism-viewing door on the left-hand side, so you can watch the movement while it runs. Because our restorers have cleaned and French-polished the mahogany case by hand, the timber's grain now shows its original colour and patination. On the back of the clock, meanwhile, sits a bracket for wall mounting. Chime On/Off Function The clock chimes once on the half hour, and it...
