Description

Antique 20th century large Edwardian dining table in oak, an impressive and beautifully proportioned piece offering generous dining space together with elegant period detailing. Well made and of good quality, this substantial table is ideal for larger dining rooms and entertaining. The table features a beautifully shaped oval top with an attractive carved edge running around its perimeter, adding subtle decorative detail to the design. Three additional leaves allow the table to be extended when required, providing excellent flexibility for accommodating larger gatherings while allowing it to remain a more manageable size for everyday use. Raised on beautifully turned legs fitted with castors, the table has a sturdy and well-balanced appearance while remaining easier to reposition when necessary. The oak displays gorgeous natural grain and a rich, warm colour throughout, adding plenty of character and complementing its classic Edwardian styling. Presented in good condition, this very desirable large Edwardian dining table would make a perfect addition to any home. Product Reference : AF - 6313
