Description

Antique 19th century William and Mary style chest of drawers, a handsome and characterful piece displaying the distinctive design influences associated with William and Mary furniture. Well made and of good quality, this attractive chest combines practical storage with elegant period-inspired detailing. The chest features two generously sized drawers to the front, both fitted with decorative brass handles and providing useful storage for a variety of household items. Raised on beautifully turned legs united by supporting stretchers, the piece has a distinctive and well-balanced appearance that complements its traditional styling. The timber displays gorgeous natural grain and a rich, warm colour throughout, adding plenty of depth and character. Its unusual proportions, decorative fittings and elegant turned supports make it a particularly desirable example. Presented in good condition, this charming William and Mary style chest of drawers would make a perfect addition to any home.
