Description

Antique 20th century Edwardian plant stand in satinwood, an elegant and beautifully proportioned piece displaying the refined styling associated with the Edwardian period. Well made and of good quality, this attractive stand is ideal for displaying a plant, vase or decorative ornament. The stand is raised on tapered legs with a useful shelf to the base, providing additional display space while maintaining its graceful appearance. Both the top and lower shelf are enhanced with beautiful inlaid decoration, adding subtle detail and visual interest to the design. The satinwood displays gorgeous natural grain and a warm, attractive colour throughout, beautifully complementing the decorative inlay and elegant proportions. Its versatile size and refined appearance make it a particularly desirable example. Presented in good condition, this attractive Edwardian satinwood plant stand would make a perfect addition to any home.
