A stunning original Art Deco figured walnut desk. This was made in England, it dates from the 1930's. It is an unusual design, with a nice and compact size, the quality is absolutely amazing. One side is curved with a useful cabinet space, there is also a single drawer in the middle. The solid wood construction has beautiful figured walnut veneers, giving a striking effect. The carved walnut handles are original, and this is also beautifully polished on the back, so can be used as a free standing item. We have had this stripped and re-polished to a very high standard, the condition is superb throughout.
