

SA1232375

A small pair of 17th century style candlesticks.

Price

GBP 395

| USD \$539 | EUR 461

Item Reference: SA1232375

Date of manufacture: 19th Century

Description

A small pair of 17th century style brass heemskerk candlesticks of low-bell form. Both candlesticks are in good condition with one having an old break in the stem (pictured), the drip pan also has some slight bending commensurate with age. These are perfect for ambient lighting when entertaining guests over dinner or those large family christmas meals. Measurements Height 15.5cm Diameter 10.3cm
