Description

Gents 1950s Ramona automatic wrist watch, super condition. The watch has a 30-jewel automatic movement which is working nicely. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The case is gold plated while the screw-on case back is stainless steel. The case is in lovely condition, as is the lens (some natural light reflection showing in the front photos). The signed dial is in its original finish with original hands, centre seconds hand and outer minute markers, all in super condition. A new leather strap has been fitted. The watch comes in a new presentation box.
