Description

This pair of bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely mahogany wax. The cabinets would look well in any bedroom either side of a double bed amongst similar mahogany furniture. They would look great either side of a sofa as lamp tables etc. The cabinets stand on a square plinth supporting the main section. There are three graduated drawers. The drawers have a fielded panel, dovetail joints and are mahogany lined. The tops are in good condition. The height is 78cm, the width is 41cm and the depth is 41cm.
