Description

This pair of bedside cabinets are in good condition. We have professionally hand stripped them and restored them and then waxed them in a lovely light wax. The cabinets would look well in any bedroom either side of a double bed amongst similar light coloured furniture. The cabinets stand on a scrolled plinth supporting the main section. There are four graduated drawers. The drawers have typical arts and crafts tramline grooves and original brass handles. The handles have been buffed up and are actually original. The drawers have dovetail joints and are ash lined. The tops are in good condition. The height is 80cm, the width is 46cm and the depth is 53cm.
